D.O.No.85016/04/2017-18

Dated: 10/05/2018

Dear Dr. Kebschull,

This is in reference to your letter dated 17.03.2018 addressed to National Commission for Protection of Child Rights (NCPCR), Government of India regarding ISES 2020 Standard to take into account current laws and regulations both within and outside India.

National Commission for Protection of Child Rights (NCPCR) is the apex body on rights of the children established under the Commissions for Protection of Child Rights (CPCR) Act, 2005. The Commission's mandate is to ensure that all Laws, Policies, Programmes, and Administrative Mechanisms are in consonance with the Child Rights perspective as enshrined in the Constitution of India and also the UN Convention on the Rights of the Child and others.

NCPCR has been mandated to perform several functions under section 13 of the CPCR Act, 2005 including subsection (h) to spread child rights literacy among various sections of the society and promote awareness of the safeguards available for protection of the rights through publications, the media, seminars and other available means. The ISES 2020 standard/tool is been seen by the Commission as an useful instrument to ensure the rights of the child and address the issue of child labour in different industries.

I wish all the best in the endeavor of IGEP in ensuring the rights of the child through the use of ISES 2020.

With regards

Best wishes

Yours sincerely
